MINUTES OF THE OFFICIAL BOARD MEETINGS 1945-46

The Board was called to Goldsboro Sept. 12 to investigate a complaint from the Wilmington Church concerning the pastor I. D. Dickens being transferred. The majority of the church desired him to remain

owing to the huge debt on the church property. After taking everything into consideration, the Board authorized the superintendent to reappoint Mr. Dickens pastor. W. E. Thompson having been assigned Goldsboro and W. H. Morris Wilmington, Mr. Thompson offered his resignation as pastor of Goldsboro in favor of Mr. Morris remaining in Goldsboro. Mr. Thompson was appointed pastor of New Bern Church.

Other items of business: Arrangements for the new treasurer to accept the books from the former treasurer as soon as bank statements were all in.

Board met in Wilson Sept. 24 (Mr. Berry absent) to investigate complaints from Wilson Church concerning the pastor W. J. Lynch being transferred. A loan was made to Mt. Olive church building. The date of the Christian Worker's Institute was set for March 25 through April 5. G. H. Montgomery, Miss Ethel Strickland, Ralph R. Johnson and W. B. Godwin were named instructors.

The superintendent was authorized to purchase cots to be used during camp meeting and conference. Reverends H. T. Spence and Raymond O. Corvin were selected for camp meeting ministers. A loan of $300 was made to the Farmville Church. The note of W. N. Bass (Amount $32.00) was canceled and a donation of $18.00 given him to cover expenses incurred in a car wreck. It was decided that services be held in each church during Pentecost Week.

W. F. Morris, O. T. Howard, W. H. Morris, W. E. Thompson and V. W. Callahan were elected Conference Radio Committee.

A cooperative plan was worked out with the P. H. Y. S. and S. S., also Evangelistic Committees for the year.

Board met in Goldsboro Dec. 13 to investigate rumors that W. J. Lynch was raising funds and contemplating an independent church in Wilson. The superintendent had written him a letter asking if such rumors were true, but Mr. Lynch failed to reply. Mr. Lynch signed a statement in the presence of the board that such rumors were false and he would not give the Wilson Church any further trouble.

A donation of $100 was made to the St. Matthew-Goshen parsonage from the conference treasury. A loan of $450 was made to Jas. R. Williams. A loan of $400 and a donation of $100 was made to the General Home Mission Board. The transfer of Mrs. Fannie Mae Jones from S. C. Conference was confirmed.

Board was called to Goldsboro Feb. 18 to investigate charges brought against I. D. Dickens and Miss Daisy Jones by Misses Jesse Faircloth and Irene Gaskins, concerning a telephone conversation. After hearing the case there was found conflicts in the testimonies and irregularity, but not sufficient evidence to convict. Mr. Dickens requested the board to accept his resignation of the Wilmington Church that he could enter the evangelistic field. His request was granted.

A group from Hodges Chapel Church were present to discuss the election of a camp meeting manager for Piney Grove Camp Meeting. All agreed that the selection of a manager by the conference board would be satisfactory. E. W. Downing was elected.

Board met in Wilmington March 13 to further consider the resignation of the pastor I. D. Dickens. The church felt that he ought to continue his pastorate there, but he stated that he felt definitely led to enter evangelistic work, which he did.

The Board met in Falcon Aug. 24 to hear charges against W. J. Lynch by J. W. Berry. After hearing the evidence the charges were sustained. The board found that Mr. Lynch was guilty of irregularities in his business affairs unbecoming to a minister, and that his loyalty to the church has not been above question, and concerning certain reports or statements made, has appeared evasive in his reply to the statements.

We therefore feel that he should sign a written apology to be read to the conference. Mr. Lynch agreed to do this.

The Apology

I sincerely regret anything in my conduct that has not been in keeping with the principles and truths for which we stand as a church, and am sorry for any injury that has been done to any individual or the conference by anything that I have said or done, and by the grace

of God I will prove my loyalty to the church and the full gospel for which we stand in the future.

Report of Conference Superintendent—W. Eddie Morris

Mr. Chairman:

And members of the N. C. Conference. I am glad to be privileged to make this report to you today. God has kept me through another year, given me grace and sustained me; and even now I can report that it is well with my soul. There is nothing between God and me.

My Work

As Conference Superintendent, varied have been my responsibilities. I have served as pastor part of the time, or at least had charge of some of the work. As Chairman of the conference radio program I have served as contact man for the radio audience; have visited all the churches except two, and it was not convenient to arrange an appointment with them. Some I have visited a number of times. Have preached 147 times, conducted or assisted in two funerals, presided over eleven of the twelve district conferences. (Was away from one to attend Bishop King's funeral.) I have conducted special services in or with the following places: New Bern, Clinton, Franklin Springs, Ga., Hopewell, Va. and Aulander Camp Meeting. I have served as Chairman in all the board meetings, visited some sick people, and in every way that I have known tried to live and preach holiness. I have gotten out approximately 733 letters and cards and handled a number of long-distance calls, telegrams, etc. Not all has been pleasant, but I realize it was not all pleasant with my Master, and to be like Him is my chief desire.

Report of W. B. Godwin, President S. S. Association

Following the last annual conference I called a meeting of the board of the Sunday School Association, at which Miss Ethel Strickland was elected Director of Religious Education in order that she might aid said board in performing the duties assigned to it.

I believe I visited all of the ninety some churches in the conference except one, and I made an effort to go to that one but failed.

I arranged and conducted fourteen Sunday School Conferences, at which fifty-nine Sunday schools rendered programs and the Falcon Orphanage rendered six. Several other schools were represented either by letter, a delegate, or delegation. Many people from the Missionary Baptist, Free Will Baptist, Methodist and Christian Churches cooperated with us. There was a vast amount and great variety of truth presented on these occasions which was highly instructive, deeply inspiring and beneficial. The presence of God was manifested in many outstanding ways. Saints rejoiced and praised God for His wonderful works to the children of men.

Sixty-two ministers and two hundred and sixty-seven officers and teachers participated in these conferences making reports of their work. Bountiful repasts were served on the grounds at all these conventions and of course was much enjoyed by all.

With two or three exceptions the attendance was large and in some

instances very large. Cash offerings of $390.72 was received for famine relief and $139.00 for the Falcon Orphanage.

I preached, lectured and talked to the young people altogether one hundred and thirty times. I taught the Sunday school lesson a number of times. I gave the Teacher Training Course in the Christian Workers Institute. I also visited and prayed with the sick. I received $716.23 in free will offerings and $130.00 from the Sunday School Association treasury as three cents per mile traveling expense, making a total of $846.23. I gave $274.65; fifty of which went to the conference treasury.

The people have been very kind and cooperative, God bless them a thousand-fold. Above all God has been faithful, for which I praise Him.

W. B. Godwin.

Report of Committee on Education

Despite the perplexing problems and unsettled conditions of this modern age, we must recognize our obligation to support the educational institutions of the Pentecostal Holiness Church. Christian education is necessary to preserve the mental and spiritual life of our young people. One of the most important obligations of our church to the youth is that of spiritual and religious training.

Our church schools are worthy of support and endorsement. Emmanuel College and Holmes Bible College have performed great service to the church and its young people in their preparation for life and Christian service. Our continued support and patronage are necessary to enable them to grow and make the progress necessary to meet the needs of our people adequately along this line. The effort of the church to establish a school in the West is to be commended and we desire success and progress for that institution.

In view of the fact that the educational program of the church now includes plans for a four year college at Franklin Springs and a seminary at Greenville, and a school for the West, we recommend that this conference petition the Board of Education of the Pentecostal Holiness Church to allow the establishment of a school for the conferences of the eastern seaboard. Further, in view of the past history of the Falcon school, and the buildings and equipment available together with its geographical location, we would in this petition request that the Falcon school be reestablished and operated for the benefit of the young people of these conferences, viz. North Carolina, Western North Carolina, Virginia, Eastern Virginia, South Carolina, and Florida. Also that we request these conferences to join us in the petition to the Board of Education, and request that school work be started in the fall of 1947. We further recommend that there be appointed a Board of Education from the official personnel of these conferences and the Falcon Orphanage to act as the sponsoring board for this institution.

We further endorse the program of teaching the Bible in the public schools of our state.

We recommend that all pastors aid and assist our prospective ministers in the study of the courses of study persuant to the requirements as prerequisite in obtaining license for the ministry.

We recommend the Pentecostal Holiness Advocate, Youth Leader, Conference Evangel, Our Children of Falcon Orphanage Monthly, and other wholesome religious literature in harmony with our doctrine and temperance.

Respectfully submitted,

A. H. Butler, Chmn.,
A. C. Holland,
W. M. Hudnell,

Report of Committee on Finance

We, your Committee on Finance, submit the following:

We believe that the system of paying tithes, and giving offerings is the one and only plan God has instituted in His Word for His work. We call attention to the General Conference Finance Committee's report and the recommendation that all our members, ministers and laymen pay tithes so that all phases of God's work may be adequately supported.

We further recommend:

1. That all lay members pay their tithes into the local church treasury; that the pastor encourage the election of officials who comply with the tithing system.

2. That ministers of the North Carolina Conference pay fifty per cent (50%) of all their tithes into the conference treasury, and the remaining fifty per cent (50%) into the church treasury where the minister holds membership or may serve.

3. That no minister shall be elected to any official position who does not comply with above system.

4. That all churches pay their pastors their regular salary for the Sabbath during the annual conference session.

5. That in case of changing pastors, the local church shall defray the moving expense of the incoming pastor.

6. It is to be appreciated the way the majority of our churches have supported their pastors this past year, but in view of the rising cost of living we recommend that the salary of the pastor be increased where practicable.

7. That each local church establish a central treasury and that ten per cent (10%) of funds be sent to the North Carolina Conference and the conference treasurer send ten per cent (10%) to the General Treasury.

8. That funds raised by each local church for the following causes: Foreign Missions, Orphanage, Education, General Evangelism and General Fund, be sent to the conference treasury to be forwarded monthly to the General Treasury.

9. That the Conference Superintendent be paid fifty ($50) dollars per week as annual salary to be paid monthly, and five (5) cents per mile for traveling expenses. All offerings received by the Conference Superintendent in his work in this conference shall be credited to his salary.

10. That the following appropriations be made:

Fifteen per cent (15%) of the conference receipts be placed in the evangelistic fund. Twenty per ment (20%) of conference receipts be placed in the Superannuate Fund.

For the present sitting of this conference:

Bishop Paul F. Beacham	$250.00
Emmanuel College, Franklin Springs	100.00
Holmes Bible College, Greenville, S. C.	100.00
Conference Secretary	75.00
Conference Treasurer	25.00

11. That the Conference Secretary be paid $10.00 per month for the ensuing year.

12. That the Conference Treasurer be paid $25.00 per month for the ensuing year.

Respectfully submitted,
T. O. Todd,
L. E. Peyton,
Mavis Lee Oakley.

Report of Committee on Prohibition and Public Morals

Since man first fell into sin there has always been immorality, but God gave certain laws which were intended to prohibit certain evils.

Not many years ago this country had a prohibition law, brought about by the eighteenth amendment to the Constitution of the United States. This law was one of, if not the most beneficial of any on the statute books. This great and good law was repealed by the vote of only twenty-five per cent of the qualified voters of this nation. If the forces of righteousness had been as diligent as the forces of evil were, this might have been prevented.

Upon the repeal of the eighteenth amendment there set in a wave, an avalance, a landslide of drunkenness, immorality, Sabbath desecration, juvenile delinquency, law violation and sin of every kind and description.

Millions of people have been swamped by the love of money and pleasure. And, sad to say many holiness people because of their desire to make money are engaging in questionable means of making a livelihood, such as the growth and sale of tobacco and soft drinks. Many intelligent and well informed people of today including statesmen and physicians, believe that tobacco is a greater curse to the people than liquor.

We deplore, despise, detest and hate the compromising attitude of many of our people toward the dress question, Sabbath desecration, the tobacco business, etc. With the daring nakedness of men and women on our public streets and two hundred nudist colonies flourishing in this country where men and women live together as naked as your hand, it is time for us to cry aloud, spare not and lift up our voice like a trumpet.

Let us dress so as to be a positive rebuke to the godless styles and fashions of the day. Let us dress for the glory of God. Let us not forget that immodesty of dress, the use of and traffic in tobacco and liquor often go hand in hand with immorality.

We note with pleasure that smoking on buses is being prohibited by law in some sections of the country. We rejoice because of the fact that of the more than seven thousand elections held throughout the United States the past few years on the wet and dry question, more than five thousand of them have been won by the dry forces.

So we thank God and take courage. God help us to stand firmly

against every form of evil and for all that is good and right, speaking the truth in love.

W. B. Godwin,
W. L. Mayo,
Mrs. Lessie Polston.

2. Ministers who have served ten years or more shall receive a maximum of $25.00 per month when superannuated.

4. If at any time an emergency shall arise with respect to the above paragraphs (viz. 2 and 3) consideration can be made by the Conference Official Board.

5. That any minister who has complied with paragraph one, in case of death, $100.00 be paid on his or her burial expenses; this also applies to wife or husband.

6. That all promissory notes given for loans made from the superannuate fund be endorsed by a member of the P. H. Church or Annual Conference, and loans of $100.00 or more be endorsed by two members of the P. H. Church or Annual Conference.

7. That loans made from the superannuate fund be paid back monthly, quarterly, or annually.

8. That interest be charged at the rate of 6% per annum.

9. That any note paid within thirty days after loan is made shall bear no interest. However, a service charge of 1% shall be made.

10. That instead of having a separate treasury for the superannuate fund, that it be handled through the conference treasury.

Report of Committee on Missions, Home and Foreign

The church of Jesus Christ has been commissioned to preach the gospel to every creature throughout the whole world, to all nations of every race, tribe and tongue. In order to carry out this commission we must recognize the need in Jerusalem, Judea, Samaria and to the uttermost parts of the earth.

In view of this fact we urge upon this body assembled the adoption of the following:

1. That we, in accordance with the words of Christ, consider the field to be the world, not just one corner, whether North, East, South or West but that the whole world is the field, and that in the light of this truth we pledge our earnest efforts to the evangelization of the 70,000,000 unsaved and unchurched here in America.

2. That we endeavor to evangelize with the Latter Rain message every state and country where we have not as yet established churches, and that we fully cooperate with the General Home Mission program in carrying forward this endeavor.

3. That in order to become a universal, world-wide church such as the gospel of Christ has intended, we cannot overlook the need of our Mexican and South American neighbors, also to feel our indebtedness to the neglected islands that dot the oceans which surround the shores of our homeland.

4. That our present foreign mission program be fully supborted with our prayers and money, and that we keep the ever increasing needs of foreign missions before our people through local societies and special missionary services.

5. That all local churches of this conference send monthly offerings to the General Treasurer through the Conference Treasurer, in support of our home and foreign mission work, and that our financial goal be not less than the amount requested by the General Conference.

6. That our pastors and evangelists keep constantly before their congregations the cause of world-wide evangelism for which primary purpose God raised us up.

7. That we give ourselves to special prayer and sacrificial giving to the end that God will help us to evangelize Japan, Germany, Russia and other countries which we have not as yet entered with the gospel of our Lord Jesus, regardless of their attitude and position during the recently ended war.

Thus, in being faihful in carrying out the great commission of Christ we shall continue to have His blessings upon us and fill the place in the world for which we have, as a church been providentially raised up.

Respectfully submitted,
S. A. Fann,
Jas. F. Eppes.

Report of Committee on Conference Evangelism and Extension

We, your Committee on Conference Evangelism and Extension submit the following.

1. That the Conference Board serve as the Evangelistic Committee.

2. That they have the authority to plan and secure party, or parties to conduct meetings where needed.

3. That they have the authority to set the salary and make payments for service rendered.

4. That all Evangelistic funds be held in trust by Conference Treasurer.

Respectfully submitted,
W. Harvey Morris,
J. G. Spivey,
E. W. Downing.

Report of Committee on Sunday School and P. H. Y. S.

There are thirty-six million young people in America with no religious instruction. Catholics provide 200 hours of religious instruction per year for their children, and the Jews provide 325 hours

for theirs, while Protestants provide only an average of 30 hours for theirs.

The Bible in the public schools, the teaching pastor and the teaching parent and the family altar are almost a matter of history. Since the repeal of the eighteenth amendment, juvenile delinquency has increased by leaps and bounds. The liquor and tobacco traffic, with all other agencies of the devil are making a determined effort to capture the youth of our land. The powers of darkness seem to have set themselves to defy the church of the Living God.

All these things constitute a mighty challenge to our Sunday schools and Pentecostal Holiness Youth's Societies.

Therefore we recommend:

That there be elected at this annual conference a President, Vice President and Secretary-Treasurer, who shall be the head officials of, and direct all the activities of the Sunday School Association of the North Carolina Conference of the Pentecostal Holiness Church.

That each local Sunday school pay tithes into their Annual Sunday School Association treasury; that the Annual Sunday School Association pay tithes into the General Sunday School Association treasury.

That three cents per mile be paid the officials of the Sunday School Association for traveling expenses in connection with their Sunday school work.

That, insofar as possible or practical the Presidents of the Sunday School Association and P. H. Y. S. devote their time to the interests of their respective work.

That all pastors have a monthly meeting of the offiicials of the S. S. and P. H. Y. S. to counsel together, in order to determine what are the best ways, means and methods of promoting the work assigned to their hands.

That the instructors of our S. S. and P. H. Y. S. do personal work, and strive to lead their unsaved pupils to Christ, and into the deeper experiences of grace.

That we make use of all the modern means, methods and ways at our command to teach the Word of God.

Latest statistics reveal that the age of thirteen is the pinacle of the conversion curve, and that the chances are three to one against a person getting saved after twenty-one. Therefore, let us bring the children into the fold while young.

That each pastor encourage teacher training and see to it that a Daily Vacation Bible School be conducted in the church of which he is pastor, if at all possible. The officers of the S. S. Association will be glad to assist in this work.

In all our efforts there must be supreme emphasis on deep spirituality, without which, all of our activities will be in vain.

Respectfully submitted,

J. Floyd Williams,
Ethel Strickland,
W. G. Batten.

Report of Committee on Orphanage

Inasmuch as the Word of God commands us to be diligent in the

care of the fatherless, and places this along with the keeping of our souls unspotted from the world; and inasmuch as we as a church have our own institution, we feel it is our bounden duty to pray for and cheerfully contribute to the support of the Falcon Orphanage and recommend that where possible the individual churches arrange with the Orphanage superintendent for a visit by the Orphanage class at a suitable time or times, and that special attention be given to the amount set up by our General Conference as a goal for the seasonal drive.

Some churches have adopted individual children in the Orphanage to the extent of supplying clothes and other necessities, and we feel that this is a good project, and recommend that other churches follow this example.

We further recommend that pastors inform themselves as to the needs of the Orphanage, that they may know how to intelligently place its needs before their congregation and communities.

In this state for several years the Thanksgiving time has been chosen as a period when each person is asked to give one day's wages or income, and we recommend that a service be held on or near Thanksgiving Day in which this work shall be emphasized and placed before our peoble and the public and special offering be received for the same.

Respectfully submitted,
J. W. Berry,
D. J. Lyttle,
C. B. Strickland.

Report of Committee on Woman's Auxiliary

We, your Committee on Woman's Auxiliary submit the following:

1. Since the Woman's Auxiliary is an official organization of the Pentecostal Holiness Church, we recommend that all pastors and ministers promote an organization in each church.

2. We recommend that the reports of the committee on Christian Service and Missions as recorded in the minutes of the Second Annual Session of the Woman's Auxiliary, be emphasized by all pastors and carried out by each auxiliary to promote the welfare and spirituality of our homes, churches and communities.

3. We insist that the report of the committee of Woman's Auxiliary in the minutes of the General Conference be read and studied by every pastor and minister that they may be better informed as to the purpose and need of an auxiliary in each church.

4. We request this body to grant the Womans' Auxiliary permission to change the date of their Annual Convention from Wednesday before the second Sunday in May, to the first day of the Falcon Camp Meeting to meet in the auditorium, should the Annual Convention of the Auxiliary so desire.

Respectfully submitted,
Pearl Bordeaux,
Louise Paramore,
Louise Smith,
Margaret Smith.

Report of Committee on Resolutions

We, your Committee on Resolutions submit the following:

That the 1947 Falcon Camp Meeting embrace the last two Sundays in August, and that the annual conference embrace the last Sunday of the camp meeting. That the local pastor and conference superintendent shall be in charge of all arrangements and handling of camp meeting and conference entertainment.

That an institution for Christian workers be held at Falcon in the spring of 1947, the date to be determined by the conference board, that a faculty be named and courses of study planned by the conference official board. We suggest that Bishop Paul F. Beacham be invited as the main speaker.

In view of the importance of the baptism of the Holy Ghost, to the ministry of the Pentecostal Holiness Church, we caution the Board of Examiners to go slowly in recommending ministers for ordination, that do not have the baptism of the Holy Ghost.

We recommend that no church lot or church building be purchased by any preacher or congregation until it is approved by the conference official board.

We recommend that our conference superintendent be given one week of vacation during the year with pay, and the right to conduct one revival or camp meeting out of the bounds of the conference during the year. The pay received in this meeting shall not apply to his salary.

We as a conference insist that the moving pastor refrain from making frequent visits to his old pastorate to the extent that he may cause confusion and lack of cooperaion of the church with the new pastor.

We recommend that the official board serve as a nominating committee for all committees.

That all prayer meetings held in a radius of one mile of a Pentecostal Holiness Church be under the direction of the pastor or church board, if at all possible.

We recommend that a man be employed to keep the camp grounds and buildings in a sanitary condition during camp meeting and conference.

V. W. Callahan,
A. B. Howard,
Jas. W. Butler.

Report of Committee on Memoirs

We, your Committee on Memoirs, submit the following:

We are taught that it is appointed unto man once to die, and, inasmuch as that is true, it behooves everyone to be prepared for it. Whereas, it has seemed pleasing to almighty God to call from us two of our beloved brothers and ministers of the gospel, we reverently bow in humble submission to His will.

Rev. N. J. Medford, who parted this life May 5, 1946, served faithfully as a minister of the North Carolina Conference for about thirty-six years. He was loved and held in high esteem by all who knew him. He served for a number of years on the conference board as assistant superintendent and also as treasurer of superannuated fund.

Brother Medford was faithful to the end. He preached his last sermon Sunday, May 5, 1946, at Greenville, N. C., as pastor. Some time during the night he fell asleep in Jesus. We invoke God's blessing upon his loved ones that are left behind.

Rev. H. W. Farmer departed this life July 6, 1946. Brother Farmer had beeen a member of the North Carolina Conference about 28 years. Brother Farmer's ministry was confined mostly to his local community in which he lived. Brother Farmer was a good man. Although his work was mostly local, he was faithful to all assignments. Brother Farmer was almost an invalid for several years and not able to preach. He testified to the saving grace unto the end. May the Lord bless and protect the bereaved ones that he has left behind.

In Memory of Bishop J. H. King

As God in His wisdom has seen fit to remove from our church the one who has in the past so faithfully and skillfully presided on many occasions over our annual sessions, and who so ably presented the Word of God in Bible Conferences and on other occasions; who by his godly life left us a shining example of the life we should live, we wish as a conference to express our gratitude to God for the many years He has vouchsafed to us the inestimable services of our beloved and sainted Joseph Hillery King, and pray that we may always strive to follow him as he followed Christ, in the pulpit, out of the pulpit, in our homes, and in labors abundant .

We express to his bereaved family our sympathy and prayers, that the God of all comfort may sustain them and uphold them until the gracious day when they and we shall reach the glorious land of which he so preached to the edification of his hearers.

Respectfully submitted,

W. J. Noble, Chmn.,
C. J. Cannon,
H. E. Oxendine.

Report of Committee on Memoirs

We, your Committee on Memoirs respectfully submit the following report:

Whereas, it has pleased Almighty God to call from our midst, Bishop J. H. King, the most noble and outstanding leader of our church. and Rev. N. J. Medford, an official, and one of the most aggressive and outstanding pastors of the North Carolina Conference, we feel in the going of these two men, we have suffered an irreparable loss, yet we bow humbly in submission to the divine will of the Heavenly Father.

Brother King, as General Suberintendent and Senior Bishop of our church presided over most of the thirty-five sessions of the North Carolina Conference. He ordained most of the ministers of this conference, he gave advice to both old and young, and stood ever ready to defend the work of the church as it pertained to Youth, and he fought hard to give them a place in the church. His memory lingers in the

hearts and minds of every young person in the North Carolina Conference, and all of us feel a profound appreciation for his faithful work.

Brother Medford was converted when just a young man, joined the North Carolina Conference in the year 1910, and from that day on he proved himself a real friend to both young and old.

In all his pastorates he gave the young people a place. He organized one of the first Youth societies in the Conference, he preached to youth and offered them encouragement throughout his entire thirty-five years of ministry, and the last thing he did before going to his reward was to preach a sermon to the young people of Greenville Church.

We do extend our sympathies to both the bereaved families . We rededicate our lives to continue the great work that was begun by these great men. We pledge our very lives for the great truths for which these faithful soldiers lived and died, and though we feel our loss very keenly, yet we realize our loss is heaven's gain, and by God's help and grace we will follow the example of these mighty warriors until our task, too, is finished here below.

Respectfully submitted,

W. Eddie Morris, Chmn.,
J. Floyd Williams,
Aileen Greer.

Report of Committee on Temperance and Public Morals

Your Committee on Temperance and Public Morals submit the following:

1. Your Committee desires to call our young people to an enrichment of spiritual living by patterning our lives after the instructions of God's Word and adhering to the truth promulgated by our church.

2. We suggest that each society render a special program on Temperance and Public Morals quarterly.

3. In reference to matters of temperance and public morals we urge our youth to exert every influence against modern amusements and especially the degrading influence of the motion picture and also the dance hall. We further urge modesty in dress among our youth.

4. In the light of the increasing crime wave among the youth of our land, we urge our societies to put forth greater effort to entertain our youth with social gatherings of Christian atmosphere.

5. We register once again our opposition to the use of, and the traffic in habit-forming drugs. We are deeply concerned over the increase in the use of tobacco especially among the youth. We urge them to repudiate the habit, and we protest against the misleading and suggestive advertisements for the promotion of the use of tobacco among our youth.

6. We wish to urge that the president and the directors of the conference in visiting the societies to impress the importance of these facts which have been included in this report upon the minds of our youth.

Faithfully submitted,

S. J. Williams,
Louise Smith,
Louise Paramore,
E. E. Denning.
